

CSABNEUT 2018

This has reference to the seat matrix provided by MHRD for the CSABNEUT 2018 counselling process, where supernumerary seats in various branches of Engg/Arch/Pharmacy are allocated in various AICTE-approved Institutes across the country for students belonging to twelve North Eastern states / UTs.

CSABNEUT 2018 has been trying to contact these Institutes (participating Institutes or PIs), 196 in number, in order to receive their confirmation and to gather essential information about these Institutes for the benefit of students, before the actual commencement of counselling process. Emails followed by reminders (both follow-up emails as well as telephone calls) have been sent to these Institutes to request this information.

Placed below in Table-I is the list of PIs (along with the action taken by CSAB-2018) who have either shown inability to participate in the CSABNEUT admission process or who have not responded despite numerous reminders, and hence these names are being removed from the allotment process so as to avoid any inconvenience or complications if students are admitted to these through CSABNEUT 2018.

Table-II lists the seats that are affected due to removal of PIs in Table-I.

TABLE-I: List of PIs not participating/not responding

| S.No. | Name of the Institute | Remark sent by PI (if any) | Action to be taken by CSABNEUT 2018 |
|-------|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------|
| 1 | B V BHOOMARADDI COLLEGE OF ENGG. & TECH. HUBLI | college closed, and the courses which were in B.V. Bhoomaraddi College of Engineering & Technology, Hubballi both aided and Unaided are running in KLE Technological University, Hubballi | REMOVED (COLLEGE CLOSED) |
| 2 | BHAGWANSHIKSHANPRASARAK MANDAL'S SHRI BHAGWAN PHARMACY COLLEGE, CIDCO, AURANGABAD | -- | REMOVED (NO RESPONSE) |
| 3 | COLLEGE OF ENGG. & TECHNOLOGY, MUTHUVAMALINGAM | -- | REMOVED (NO RESPONSE) |
| 4 | GURU NANK DEV ENGG. COLLEGE, LUDHIANA | Ours is not a centrally funded institute, as such this does not relate to us | REMOVED (REFUSED) |
| 5 | INDIAN INSTITUTE OF ENGG. SCIENCE AND TECHNOLOGY SHIBPUR | It is evident from the seat matrix for NEUT that 4 seats has been allotted to IESTShibpur in the following disciplines Mining Engineering-01; Architecture-01 and Mechanical Engineering-02. In this regard we would like to inform you that we have only 24 nos of seat in architecture which is being approved by architecture council.
